

Clear and Simple Quick Start Guide

HTC Desire® 512

Getting to know your HTC Desire® 512

Phone setup

Insert the micro SIM card

1. With the phone facing down, open the back cover from the small indentation at the bottom.
2. Remove the battery.
3. Remove the placeholder card from the micro SIM slot.
4. Insert the micro SIM with the gold colored contacts facing down and cut-off corner facing in.
5. Phone comes with a 4GB microSD™ card installed. To replace the current microSD card, remove the current microSD card and insert a new microSD card with the gold contacts facing down.
6. Reinsert the battery.
7. Replace the back cover.

See the "Apps on Google Play" panel for more information on how files are stored on the microSD card.

Touch screen

Personalize

Customizing home screens

1. From the home screen, press and hold a blank area to access customization options.
2. Choose what you want to customize, such as your home screen wallpaper and widgets.

Manage home screen panels

1. From the home screen, press and hold a blank area to access customization options.
2. Tap **Manage home screen pages**.
3. Swipe to a panel or HTC BlinkFeed®, and then tap **Set as home** or **Remove**.

Calls and voicemail

Make a call

1. From the home screen, tap **Phone**.
2. Select an option to make a call:
 - **Phone:** Manually enter a telephone number.
 - **Call History:** Return or retry a call.
 - **Favorites:** Frequent and favorite contacts.
 - **People:** Call from your address book.
 - **Groups:** Contacts organized by category.

Use call waiting

- Call waiting helps you answer a call when you are on an existing call.
1. While on a call, you'll hear a tone if another call comes in.
 2. Tap **Answer** to accept the second call and put the first call on hold.
 3. To switch between the calls, tap a call on the screen.

Check voicemail

1. From the home screen, tap **Phone**.
2. Press and hold the number **1** key on the keypad.

Text and picture messaging

Send a text message

1. From the home screen, tap **Messages**.
2. Tap **+**.
3. Enter a contact name or mobile number in the **To** field or tap **+** to choose from your contacts.
4. Tap the **Add text** field and enter your text.
5. Tap **Send**.

Send a picture message

1. Follow steps 1-4 above.
2. Tap **Attach**, and then choose an attachment type.
3. Select or browse for the item to attach.
4. Tap **Send**.

Please don't text and drive.

Email

Email setup

1. From the home screen, tap **Mail** .
2. Select an email provider.
3. Enter the email address and password, and then tap **Next**.
4. Follow the onscreen instructions, and then tap **Finish setup**.

Your email will begin to synchronize with your phone.

Send an email

1. From the home screen, tap **Mail** .
2. Switch to the email account that you want to use.
3. Tap **+**.
4. In the **To** field, type email addresses or tap  to choose from your contacts.
5. Enter the subject and your message.
6. To add an attachment, tap .
7. Tap  to send or to send it later, tap  > **Save**.

To set up your corporate email, contact your IT administrator.

Cricket services

These services make using Cricket even better and easier!

-  **My Cricket:** Access billing, make a quick payment, view usage and access support from the palm of your hand.
-  **Cricket Wi-Fi:** Automatically connect to free and open Wi-Fi® hotspots, helping you to maximize data usage and enhance coverage.
-  **Cricket Voicemail:** Quickly view, access and play back your voicemail messages. Easily save important numbers to your Favorites list and respond to messages by calling back or texting.

To update and use Cricket apps

The first time you open and use your Cricket apps, you need to update them first.

1. Open any of your Cricket apps from the home screen. This opens the app in Google Play.
2. Tap **Update**, and then tap **Accept**.

Apps on Google Play™

Access Google Play

1. From the home screen, tap **Play Store** .
2. Enter your existing Google® Account or create one following the steps on the screen.

Navigate Google Play

From Play Store, you will have multiple ways to search for apps, games, and more.

1. Tap a category to browse popular apps, games, movies, and music organized by popularity or category.
2. Tap **Search**  to search the Play Store for a specific game or app.
3. To install, tap the app and follow instructions.

Once installed, you will see a notification in the Notifications panel. Open the app from this notification or by locating the app in the **App tray** .

A Google Wallet™ payment method is required to purchase apps.

By default, some data and files may be stored on the pre-inserted microSD card. Removing this card may result in apps not working properly on your phone.

Camera and video

Take a picture

1. From the home screen, tap **Camera** .
2. Tap  > **Camera**.
3. Tap  to take a picture.

View pictures

1. From the home screen, tap **Gallery** .
2. Browse an event or album.
3. Tap a thumbnail to view it in full screen.

Take a video

1. From the home screen, tap **Camera** .
2. Tap  > **Video**.
3. Tap  to start recording.
4. Tap  to end recording.

Send a picture*

1. From the home screen, tap **Gallery** .
2. Browse an event or album, and then tap a picture.
3. Tap **Share** to share via Bluetooth®, send by email, send as a message, or upload to a social network.

* Data charges may apply.

HTC BlinkFeed

Easily access content from popular websites and your social networks.

Add feed sources in HTC BlinkFeed

1. From the home screen, swipe right to access HTC BlinkFeed.
2. On HTC BlinkFeed, swipe right to open the slideout menu.
3. Tap  > **Add content**.
4. Tap a category to see available content.
5. Select the feeds you want to add to HTC BlinkFeed.
6. Tap **Back** key  to return to HTC BlinkFeed.

Zoe™ Highlights

Quickly combine your photos and videos into mini movies with a soundtrack called Zoes. Relive life's important moments and share them with family and friends.

Create a Zoe

1. From the home screen, tap **Gallery** .
2. Tap to open an album. The top tile in each album is a Zoe.

A Zoe plays automatically on the preview screen. To view it in full screen, hold your phone in a landscape orientation.

Edit a Zoe

1. From the Gallery album, tap  in bottom right corner of the Zoe.
2. On the Content tab, select the photos or videos you want to include in the Zoe.
3. Swipe to the Themes tab to choose video filters to apply to the Zoe.
4. Swipe to the Music tab to select a music file or tap **Search my library** to select music from your music library. You can then trim the song to select a particular section of the song. Tap **Done** when finished.
5. To remix your Zoe, tap  > **Remix**.
6. To save your Zoe, tap  > **Save**.
7. To share your Zoe, tap .

Do not reproduce, distribute, or otherwise use copyrighted materials in connection with the Zoe unless you have secured the copyright owner's permission first. All content posted via the Zoe app is public and its use cannot be restricted.
